

HUDSON

CEDAR WOODS DEVELOPMENT

493 Autumn Blaze Trail

\$1,250,000 (Includes Lot)

Others priced from \$600,000's

Home will be furnished and decorated

A new design from Mark Anthony Homes blends the warmth of their Lodgemen™ model with the charm of a mountain chalet. This modified 2-story has all the details you have come to expect from Mark Anthony Homes: main floor master, 2-story vaulted great room with wood burning fireplace, stone center island in gourmet kitchen next to dining area with a gas fireplace and cozy reading berth. The home is master planned to include a lower level bar, gaming area, theatre, exercise room and an additional bedroom suite for guests or growing family.

directions

1-94 to exit #2 / Carmichel Road, south to Coulee Trail, east to Autumn Blaze Trail, north to model on right.
