

Mark Anthony Homes, Inc.

HUDSON

CEDAR WOODS DEVELOPMENT

493 Autumn Blaze Trail

\$1,250,000 (Includes Lot)

Others priced from \$600,000's

Home will be furnished and decorated

A new design from Mark Anthony Homes blends the warmth of their Lodgemen™ model with the charm of a mountain chalet. This modified 2-story has all the details you have come to expect from Mark Anthony Homes: main floor master, 2-story vaulted great room with wood burning fireplace, butcher block center island in gourmet kitchen next to dining area with a gas fireplace, cozy reading berth and finished bonus room over the garage. The home is master planned to include a lower level bar, gaming area, theatre, exercise room and an additional bedroom suite for guests or growing family.

I-94 to exit #2 /
Carmichael Road,
south to Coulee
Trail, east to
Autumn Blaze Trail,
north to model on
