### 601 County Road E

\$379,900 (Does Not Include Lot)

Home will be partially furnished and decorated

Nestled in the woods, this 2-story quality crafted Tuscan-style home provides comfort and cost savings with a Geo-Thermal System. The exterior boasts a heavy timber porch, expansive deck and screened-in porch with wood-burning fireplace. The Great Room's vaulted ceilings and open wrought iron staircase creates a sense of old-world charm while alder cabinetry & millwork adds warmth & beauty to the open floor plan. The master suite with private bath is conveniently located on the main level. Two additional bedrooms, bath and bonus room on the upper level provide extra space for hobbies.
