HUDSON

CEDAR WOODS DEVELOPMENT

493 Autumn Blaze Trail

\$1,250,000 (Includes Lot) Others priced from \$600,000's

Home will be furnished and decorated

Price Reduced to \$899,900.00! This design blends the warmth of their Lodgeman[®] model with the charm of a mountain chalet. This modified two-story has all the details you have come to expect from Mark Anthony Homes: main-floor master, two-story vaulted great room with wood-burning fireplace, butcher-block center island in gourmet kitchen next to dining area with gas fireplace, cozy reading berth, and finished bonus room over garage. Visit our Lake Home and Cabin Preview specializing in Custom Lake Home Architectural Design, Interior Design and Decorating. See examples of Custom Lake Homes that were designed and built by the Mark Anthony Design Team.
